DesMoinesTCE BuildingDem FFS Final.pdf

Hylton, attached is the most recent FFS for the Des Moines TCE site for the buildings. I haven't reviewed it yet, as I just got it, but I wanted you to be able to see it and comment if you see something. It is NOT approved.

Please review and get back to me by Friday of next week (March 3, 2017), if possible, with any revisions/edits. If you can't make that time line, please let me know. I am expecting the final FFS for the SPA soon and will send it to you for review once I get it. Call me if you have any questions. Thanks!
